EO/DD/I Diary

Monday, 24 November 1952

- 25X1X7 1. O/SI dispatched to DD/I a four-inch thick staff study on the results of the [REDACTED] Conference on Soviet Electronics and Guided Missiles, with the request that the DCI transmit copies of the resultant working papers [REDACTED] As I found O/SIs presentation of these papers too cumbersome either for us to handle here or to pass to DCI, I requested [REDACTED] to recast his transmittal memo which should be forthcoming in a few days. 25X1A9a
- 25X1A9a2. Discussed supergrade ^(matters) ~~matters~~ with Messrs. Sheldon and [REDACTED] 25X1A9a
3. Discussed the USCIB Meeting, 21 November, with Mr. Sheldon. He will send a copy of the agenda to the DDI as soon as it is ready.
